K-9 Kraving supports Bella's Bully Buddies with a Yummy Surprise *A Holiday Treat for Dogs in Rescue*

Baltimore, MD, December 2018 - For Christmas this year, K-9 Kraving donated 50 Jumbo All-natural Chew Treats to Bella's in hopes of giving some much-needed yummy pacification to canines in transition. Scott Snyder, Owner of K-9 Kraving shares, "It brings me joy to give back to such a great organization."

Since 2014, K-9 Kraving and Bella's Bully Buddies have been partnered in nurturing their rescue charges; providing excellent nutrition to these canines and allowing them to be at their physical AND mental best. A balanced diet offers optimal health and wellbeing; with proper nourishment, a canine can grow and develop to his/her full potential. When a body receives good nutrition, and a dog feels satisfied and healthy, both physical and mental activities become easier and more fun for them.

Melissa Trotman - a founding member from Bella's Bully Buddies

Bella's Bully Buddies is an all-volunteer, non-profit organization whose mission is to rescue pit bull type dogs from abuse, neglect and abandonment. While the dogs are in our care, we provide excellent nutrition, training and enrichment, veterinary care and lots of love in our network of foster homes. Our goal is to find each and every one of them a forever home where they will be loved as a part of the family for the rest of their lives. Through everyday interactions and community events we work to educate the public about the loyal, intelligent and loving nature of pit bull dogs as companions and family members.
