KRAVES:

FOOD: Beef & Vegetable and Duck & Vegetable
Diets and Dietary Supplement Green Tripe
TREATS: K-9 COOKIES: Green Tripe

K-9 Kraving is great food. I love that the food is just meat and vegetables without any additives or chemicals. Balanced raw diets can be challenging, however K-9 Kraving food contains muscle meat, organ meat, and bone all in one package making the process much easier. I will not use any other brand.
